

Great Barrier Reef Flats

Crystal clear flats, sight fishing paradise.

Operating from Liquid Desire, a 55ft sailing catamaran, this multi-day saltwater fly program positions anglers directly inside the reef lagoon at Batt Reef and Tongue Reef. The focus is simple – sight fish the flats. Private trips - Fly only.

FLY FISHING THE GREAT BARRIER REEF

Multi-Day Trips

Trips are scheduled around optimal tidal movement, allowing us to target prime low-tide walk-and-wade windows for permit fishing.

With the mothership anchored on location, travel time to the flats each morning is minimal, maximising time on productive water.

Minimum 3 days.

EXCLUSIVE TRIPS!

2-3 Anglers Maximum

Limited numbers allow focused guiding, and the flexibility to work fish properly.

We alternate between wading and skiff fishing depending on tide depth, light and wind.

TARGET SPECIES

Primary focus: Permit, Giant Trevally and Golden Trevally. Additional opportunities include Triggerfish, Chinaman Fish, Spangled Emperor, Cobia and more!. At low tide, ray riding permit offer the most visually engaging scenarios for fly anglers. Close-range shots! Precise presentations! * Walk-and-wade sessions require a good level of fitness.

Liquid Desire - 55ft Sailing Catamaran

Liquid Desire is a purpose-built 55ft sailing catamaran operating on the Great Barrier Reef. The twin-hull design provides stability at anchor, allowing us to remain positioned directly adjacent to the flats and reef systems throughout the program.

Comfortable. Capable. Functional.

- Approx. 1.5-2 hour transit to the reef (conditions dependent)
- Full day fishing on arrival, structured around the tide
- Return to Liquid Desire approx. 5:30pm
- Dinner prepared onboard

Full Fishing Days

- Breakfast onboard
- Fishing structured around optimal low-tide walk-and-wade windows
- Lunch taken on the skiff or return to Liquid Desire if anchored in the lagoon
- Return to mothership late afternoon
- Dinner prepared by onboard chef

Final Day

- Breakfast onboard
- Full day fishing session
- Depart reef approx. 3:45pm
- Arrive back in Port Douglas approx. 5:00pm
- Minimum 3 consecutive day 2 nights

INVESTMENT

Whole Boat Rate AUD \$6750 per day

Minimum 3 days / 2 nights

Trip formats:

- 3 Day / 2 Night
- 4 Day / 3 Night
- 5 Day / 4 Night

Private saltwater fly fishing program / 2-3 anglers maximum

Longer stays allow coverage across multiple tide cycles and significantly increase shot opportunities.

Accommodation & Travel Notes

Accommodation in Port Douglas the evening prior to departure and the night of return is recommended for ease of boarding and arrival.

Beyond the Flats

For anglers or accompanying guests wanting a broader Great Barrier Reef experience, Liquid Desire offers snorkelling opportunities from the anchorage.

The reef systems around Batt and Tongue Reef provide exceptional coral and marine life viewing, allowing the trip to combine serious flats fishing with a complete reef experience.
